Giveaway Auction Extravaganza

Camp Fire

May 11th, 2018, 5:30 p.m., Everett Community College Fitness Center

What can I expect tonight?

- Each and every holder of a \$350 ticket, in an order to be determined by drawings of names, the wind of bingo balls, and fleetness of feet, may choose any prize among those that remain.

How will it work?

- Each guest who bought a ticket has his/her name in the drawing at the front of the room. The bingo ball machine at the front of the room has colored bingo balls and there is space designated on the display board for each color.
- At the beginning of the program (about 6:00 pm), 4 names for each color are picked out of the bowl and the corresponding name plates are placed on the display board.
- Then, the bingo machine does its thing and determines the color of the first four ticket holders, and it is their turn. They take their name plates off the board, and each places his/her name plate next to the title of the selected item, and collects the item's **number**. The number will be used to claim the prize. Four more names are drawn for that color. This process continues until every prize is chosen.
- If the machine chooses the "**Wild**" color, then we will pull a name out of the bowl to choose a prize immediately!

Will there be any live-auction items?

- Yes! This live-auction is in addition to every ticket holder receiving a Giveaway prize.

Extras...

- The Master of Ceremonies and auctioneer for the evening is Troy McVicker. Troy is the President of Event Source Northwest. Scotty is running the soundboard. Any left-over giveaway prizes will be sold at the end of the evening at a discount. Other surprises will abound throughout the evening!

Is there anything to eat?

- Yes! Thanks to Emerald City Hospitality, a delicious dinner will be provided. Included will be: Flame broiled gourmet burgers and brats, Caesar salad, house green salad, potato salad, tortellini pasta, watermelon, baked beans, and cowboy corn. And we will have a smores bar for dessert!
- There will be two bottles of wine on each table. Additional drinks are available for purchase.

Raffle

- Tonight, you will have the chance to win a free ticket to next year's event and your name will be the first one placed on the board at the beginning of the giveaways next year. Stay tuned for more details!

If you wish to trade or sell your prize, that is between you and any other guest and is not part of the program structure. Consult your tax advisor regarding deductibility questions.

Live Auction Rules

Let's Make a Difference Together!

“Again this year we are asking for Campships for youngsters who would not otherwise be able to attend due to family income level constraints. Some are single mothers or grandparents, some have illness or disability costs, and some are struggling with housing and homelessness such as our Mega Clubs.

Having an experience at Camp Killoqua can set a child up on a different course—make that unique difference that may make the positive outshine the struggles in their lives. Pooling our resources together in this Campship Fund allows us to discount registration for children in need of those positive experiences. Let's make it happen for them!”

ZULU NYALA SAFARI

FREQUENTLY ASKED QUESTIONS

Where does the lodge's name (Zulu Nyala) come from?

Zulu is the name of a tribe. Many members work at the lodge, and you can also tour their village if you want. They live very primitively, and sell many handmade items. A nyala is an animal with long hair on its neck and back. The lodge is known for having a very large herd of nyalas.

What language is spoken there?

The main language is English. Many of the natives only speak Zulu, but are able to communicate with English speakers well enough to sell things to them.

How would I get there?

First, you take a flight to Johannesburg, South Africa. From there, you take another flight to Richard's Bay. Then, you have the option to either rent a car or pay to have someone from Zulu Nyala pick you up. To drive from Johannesburg takes approximately five and one-half hours.

How much does the flight cost?

Generally, flights cost between \$1,300 and \$1,750. They tend to vary based on the time of year and how far ahead of the trip they are booked. However, there are several websites on the internet that offer plane tickets at a reduced price making it is possible to fly for as little as \$900.

When is the best time of the year to visit Africa?

Africa's winter months, which are from May to August, are the most appealing time to visit for several reasons. First, the temperature is comfortable. It tends to be in the 70s during the day and in the 40s at night. Also, most of the grass is dead and the trees are bare. This means that the animals are active and can easily be observed. In addition, the pineapple fields and banana plantations are a worthwhile sight to see.

Summer Season – September to April Winter Season – May to August
Temperature – 60-90 F Temperature – 32-70 F

What to pack

At Zulu Nyala, formal clothes are not necessary. We generally recommend that people bring shorts & cotton T-Shirts, good comfortable walking shoes, casual lightweight cotton, khaki or neutral colored clothes for safari, fleece or sweater and a warm jacket for game drive or cool evenings, wide brimmed hat, personal toiletries, sun barrier cream and lip creams, binoculars, camera, **converter to recharge your camera (we use 3 round pin plugs – 220V)** and accessories, sunglasses. For a very low cost, you can get your clothing laundered at the lodge.

Medical

There are excellent private medical practitioners in most towns and a top-class hospital at nearby Richards Bay. It is advisable to use a mosquito spray or cream for the outdoors, especially at night.

What is the procedure for game drives?

Upon your arrival at Zulu Nyala, you will be assigned a ranger. He or she will be your chauffeur on the game drives and will be available to answer any questions that you may have.

What will we eat?

The meals are extraordinary. The auction package includes three delicious meals per day, prepared by the finest international chefs, with an African flavor of course. You will be given two different choices each day for your meat, potato, vegetable, soup, and salad. Also, every meal will include extras, like fresh fruit, cheeses, and crackers.
